CHEMISTRY 051 FUNDAMENTALS OF CHEMISTRY I (UC:CSU) ADVISORY: Math 115 or one year of high school algebra. Lecture 3 hours, Laboratory 4 hours. DESCRIPTION: Chemical phenomena, methodology, and fheory are studied in the context of social, political, and economic issues. Fundamental chemical principles are developed and applied within the study of selected instructional modules, such as atmospheric gases, acid rain, nuclear fission, solar energy, drugs, and nutrition. The laboratory component gives students experience in the general procedures used by chemists and the uncertainty involved in operations. NOTE: Chemistry 51 does not satisfy the LACC pre-nursing Chemistry requirement.

step 1

HERE'S HOW TO GET STARTED

COMPLETE THE APPLICATION

Apply online at www.lacitycollege.edu using a computer at home or on campus in the Student Assistance Center - AD 105. Or, submit your application in person at the Student Assistance Center. They can walk you through the application and they speak multiple languages.

Make a REGISTRATION APPOINTMENT

If you apply online, you will be given an appointment to register for classes via email. If you apply in-person, take your application to Admissions - AD 100 where you will receive an appointment. you may register for classes at the time of your appointment or anytime after that via the phone or online.

MAKE AN ASSESSMENT APPOINTMENT

If you have not attended college bofore, you likely need to take the LACC Assessment. Make an appointment in AD 103. You cannot fail the assessment. It is designed to help you select the most appropriate level of classes.

MAKE AN ORIENTATION APPOINTMENT

Make an appointment for orientation at the window across from the Business Office. Learn how to plan your classes, strategies to succeed in college and important information about campus services and important dates. Student who attend orientation receive an earlier registration date.

Achieve YOUR Goals @ LA City College ENROLL NOW!!!

THE NEXT STEPS ARE . . .

TAKE AN ASSESSMENT TEST

On the day of your assessment test, meet on the steps of the Learning Resource Center. A practice test is available at www.lacitycollege.edu (select Student Services and then Assessment). Your test results will be available in AD 103 or go online to www.lacitycollege.edu. Click on Current Students at the top of the screen. Then click Student Information Link. You will click through 3 more screens requiring you to select the Student Information System. Then, you will enter your Student ID #. The next screen will allow you to select Assessment Results.

REGISTER FOR CLASSES

To enroll in classes, go online to www.lacitycollege.edu and select Register for Classes or call one of the following STEP numbers:

(323) 226-1999 | (213) 689-8888 (310) 605-0505 | (819) 988-2222

Keep a printout of your classes. You'll need it to buy books and on the 1st day of class.

TIP: **if the class you want is full or closed**, check back periodically <u>prior to the 1st day of classes</u>. If another student drops the class, you may be able to enroll. Also, <u>during the 1st week of classes</u> you may be able to ADD the class.

Live YOUR Dreams @ LA City College ENDRE

FEES, STUDENT ID & BOOKS . . .

PAY TUITION, PARKING & OTHER FEES

You may pay with a credit card when you register with STEP or Online. If you do not pay for classes at that time, you must do so prior to the end of the semester. You may pay with cash, check or credit card at the Business Office. AD11.

GET STUDENT ID CARD

Once you have your fee receipt, be sure to go to the Cub Card Office, AD 105, to pick up your student ID card.

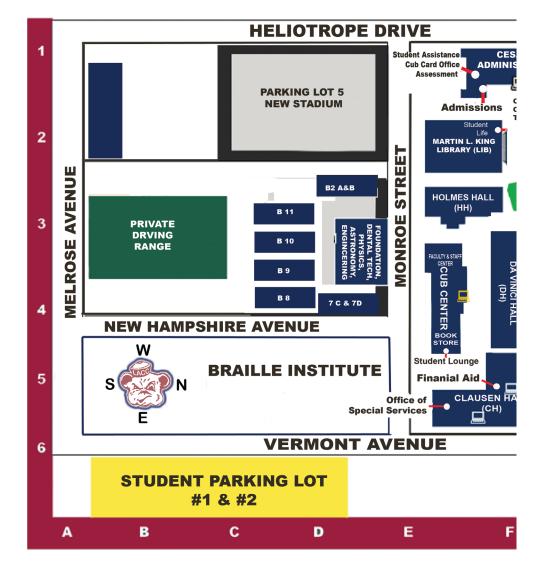

Buy Books

Please visit us at www.laccbookstore.com.
See hours posted at the front of the store for extended & weekend schedules. Keep all your cash receipts. Original receipts are required for all refunds and exchanges. Please refer to the School Catalog for the full refund policy and other Bookstore information.

JUST A FEW OF OUR STUDENT SERVICES

COUNSELING

Offers assistance to LACC students, and potential students, regarding college courses and degree/certificate programs.

CAREER CENTER

The Career Center provides students with individual and group counseling, vocational testing services, exploration of career options, and information on occupational fields and employment trends

STUDENT ASSISTANCE CENTER

The best source for answers to questions regarding the college and its programs and services. New students and those interested in returning to college can find a wealth of information on a variety of subjects.

LEARNING SKILLS CENTER

The Center offers individualized credit/no-credit classes in basis reading, vocabulary, math, English fundamentals, note-taking, term paper writing, study skills and more.

EOP&S

Assists low income and educationally disadvantaged students to gain academic and personal success by providing support services and encouragement.
